# CHILDREN'S PLEDGE BOXES

**1**

## TALK ABOUT STEWARDSHIP

Take a moment to pray, read scripture, and discuss why being a good steward of all resources, not just money, is important to your family

**2**

## MAKE A PLEDGE

Even children can give! When you make a pledge as a family, ask your children how much they'd like to contribute. If they're given spending money, allowance, or monetary gifts, remind them to contribute a portion to their pledge box.

**3**

## DECORATE THE PLEDGE BOX

Invite your child to decorate their pledge box so that giving is joyful and exciting for them!

**4**

## GIVE!

Leave the pledge box in a visible spot in your home so that your child feels motivated to add money to it. Empty it regularly and make a ritual of giving the money to the church.
